Marangaroo
GOLF COURSE

Welcome to Marangaroo Golf Course

A hidden little gem in the heart of the Northern Suburbs of WA. Beautiful 18 holes filled with local fauna and heavily lined fairways that define the course.

Closely situated to local schools, shops and parks the course welcomes all ages.

Now is the chance to secure your own business sponsorship of a golf hole of your choice, promoting your brand within one of Perth's most sought after locations.

With over 110,000 visitations per annum the golf course signage and online promotion provided to hole sponsors delivers your business significant recognition within the local community.

We appreciate your support of this wonderful facility, and we are sure that our partnership will benefit both your business and our local golfing community long into the future.

A tour of our venue and course is always welcome so please do not hesitate to contact me to arrange this.

Thank you and speak with you soon,

Lee Norcliffe, Venue Manager.
